**CLIENT TESTIMONIAL**

“In order to grow as a company and cement ourselves as industry leaders, we needed to create a Quality Management System that would guide us through continuous improvement. Our consultant listened carefully to our needs, and worked with our Quality Department to offer the services we were looking for. We have begun our implementation process and have had our systems tested by current and new customers and we are proud to say that the results have been very positive. The ISO 9001 Group continues to assist us with minor questions in a prompt and courteous fashion.”

*Mike Collins, Quality Manager*  
*Plasma-Tec Industries*
