Procedural Compliance Audits

Verify everyone in your organization is in compliance with your company's policies and procedures
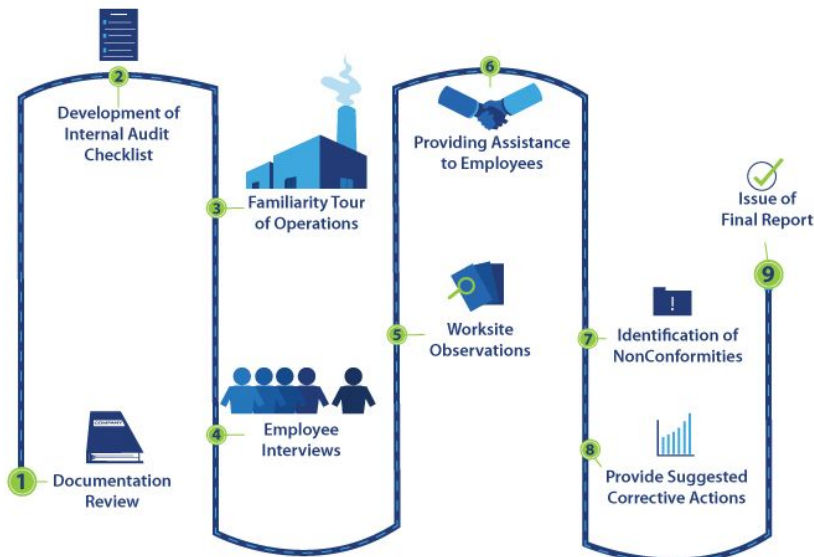

Verifying employees' compliance to your company's policies, processes and procedures is crucial to the success of the daily operations of any organization. Our Consultants can conduct procedural compliance audits using your organization's requirements and procedures to drive compliance and continual improvement.

BENEFITS OF PROCEDURAL COMPLIANCE AUDITS

1. Ensure employee compliance to policies, processes and procedures
2. Prevent negative impacts on profitability and cash flow
3. Establish a platform for organizational growth
4. Avoid losing customers, and increase returning customers
5. Reduce employee turnover
6. Identify opportunities for process improvements

OUR PROVEN PROCESS

1. Documentation Review
2. Development of Internal Audit Checklist
3. Familiarity Tour of Operations
4. Employee Interviews
5. Worksite Observations
6. Providing Assistance to Employees
7. Identification of NonConformities
8. Provide Suggested Corrective Actions
9. Issue of Final Report

CLIENT TESTIMONIAL

"The MIC quality team and I would like to thank The ISO 9001 Group for providing us exceptional service and support. Please know that we selected The ISO Group based on the organization's reputation, experience and their ability to adapt and customize their services to best meet our needs. While we used The ISO 90001 Group for services at 2 of our sites, I would not hesitate to use them again in other capacities. I feel confident that others will be as delighted with The ISO 9001 Group's support as we have been."

Tyler Smith, Director of Quality
MIC Group
